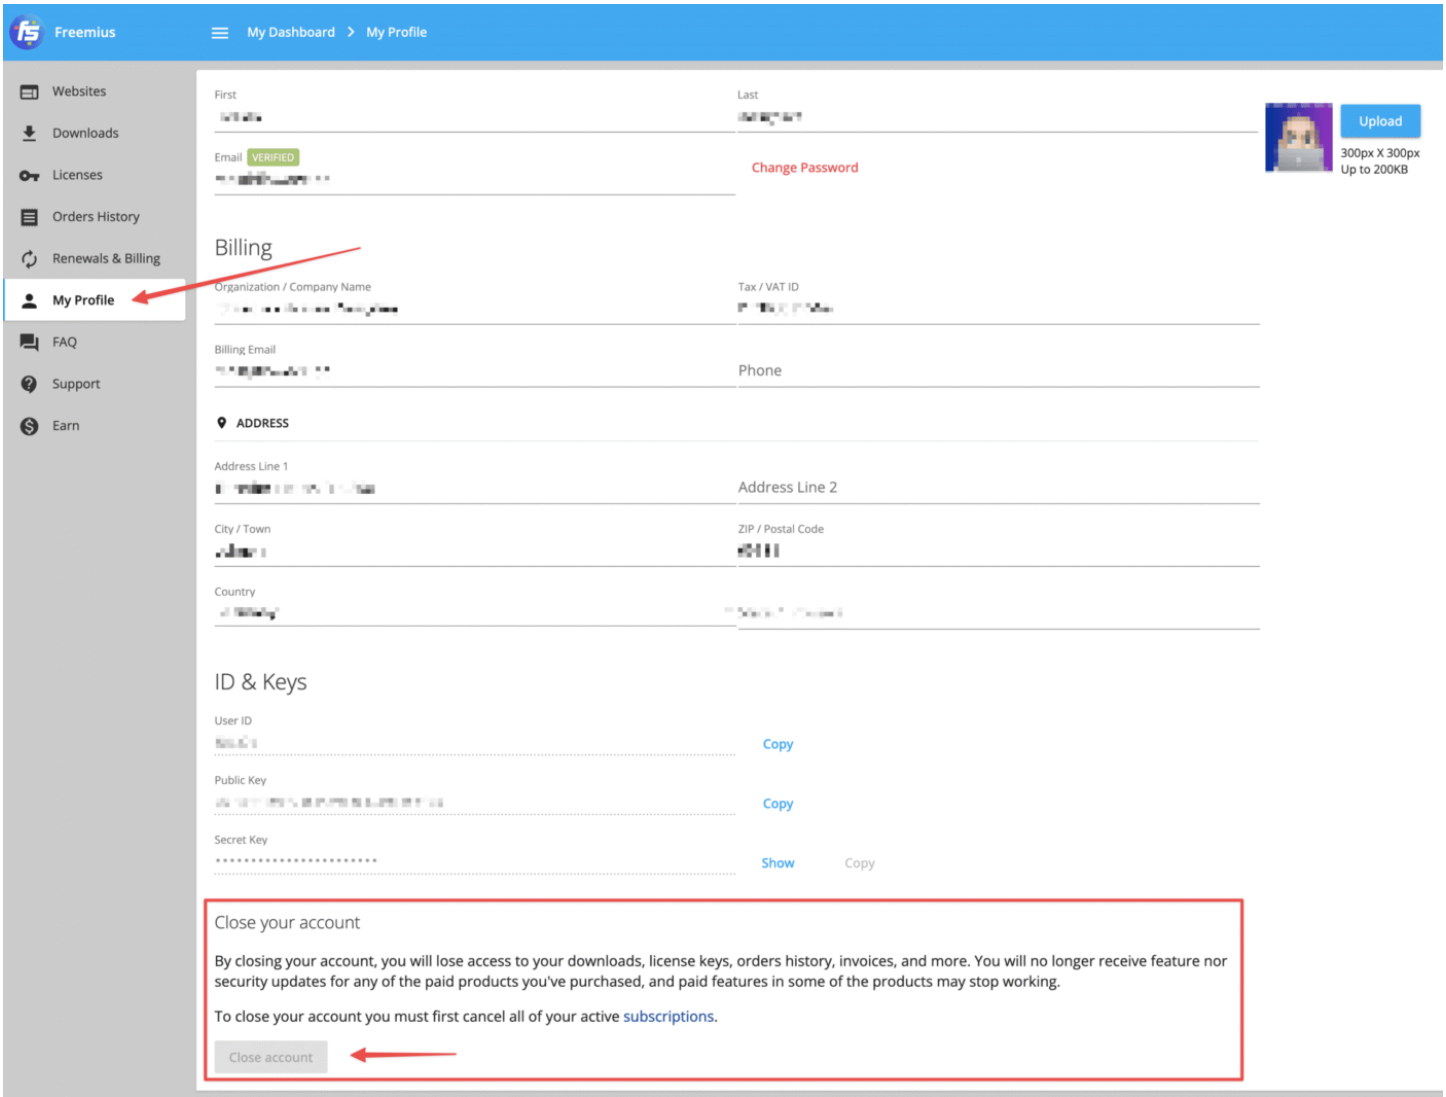
# Delete My Account

Account & Licenses · https://clickwhale.pro/docs/article/how-to-delete-my-account/

If you no longer wish to use your ClickWhale Pro account and want to delete it, you can easily do so via the Freemius dashboard.

Go to the Freemius login page and log in to your account. Once logged in, navigate to the sidebar menu and click on **My Profile**. Scroll to the bottom of the My Profile page and click on the **Close Account** button.



## Important Reminder

Before proceeding with account deletion, make sure to cancel all active subscriptions. This step is essential to prevent any unexpected charges or disruptions.
